

PARKING SUGGESTIONS for 3325 NE WASCO

Our practice on NE Wasco is located on a little street just north of NE Sandy Blvd, between 32nd and 33rd. The street runs one-way from east to west.

There is one-hour parking on both sides of Wasco, as well as a few spots right behind our building. In addition, there are two-hour spots just south of us on Sandy, and many unrestricted spots on NE Clackamas St, which parallels Wasco just to the north.

Within this Sandy-Wasco-Clackamas zone, our experience has been that free parking can always be found.

If you find you are having any difficulty, please let your therapist know and we will do what we can to find a solution!
